

SAFETY CULTURE

UTILITIES & ENERGY MANAGEMENT

1. Continue safety tailgate meetings as needed or regular all hands safety meetings.
2. Report all near misses, accidents, injuries/illnesses and safety concerns.
3. You are responsible for your own safety.
4. Consult with your supervisor and/or the Utilities Safety Office prior to doing any task you perceive to be unsafe.
5. Use anonymous methods for making safety recommendations, such as the safety suggestion box.
6. Participate in the “Life Savers” program, which empowers employees to stop any jobs that appear unsafe.

EMERGENCY AND SAFETY SERVICES

UTPD: 471-4441
